

### GOLDEN BOY MIKE

Trance Music, Vinyl Master, and 29 year DJ veteran Golden Boy Mike has headlined clubs internationally in Mexico and on both U.S. coasts from Florida-California, Hawaii, Las Vegas, Chicago, and everywhere in between playing by the side of other national touring dj's such as Ollie (Warp Brothers), Micro, Simply Jeff, Mea, Derrick Thompson, Dj Irene, Thee-O, Alkoholiks, Speaker Junkies, Evil E, Funky Junction, Jane Vanderbilt, and Dj Keoki.

He has held residencies at all of San Diego's largest clubs including Martini Ranch, Decos (now McFaddens), Onyx Room, Pure, Kraken, Canes, Victors, and Static and has traveled to Las Vegas playing at clubs such as Seven, Shimmer Cabaret (Las Vegas Hilton), House of Blues (Mandalay Bay), Club Ra', and Artisan.

His national following is steadily increasing as evidenced by TheDjList.com ranking him among the world's top 600 dj's in 2002, top 400 (200 in the U.S.) in 2003, top 15 dj's in San Diego in 2006, top 3 dj's in San Diego, #235 Trance Dj Worldwide, and #295 in the United States in 2007, and he finished 2009 as the #1 Dj in San Diego, #92 Trance Dj in the world, and #63 Dj in the United States.

His Facebook, Twitter, and Myspace pages attract a total global audience of well over 20,000 fans.

He was named "Dj of the Month" by Kevlar Productions and won 1st Place in the Rock the Spot Dj Competition and 2nd Place in the President's Day Dj Competition.

His dj mixes have aired on radio stations in Chicago, San Diego, and Canada and on several internet radio stations. He has released 15 mixtapes and 4 Cd's - "21" (2009), celebrating 21 years as a dj, "Escape" (2003), "Sweet Dreams" (2001), and "HiNRG" (2001), which are all featured on several nightlife websites and are available for purchase at MJS Records.

He also produces music with original releases of "Angel's Cry", "Hover", and "Miami Nights" on MJS Records. "Angel's Cry" hit #4 on the tunes4djs.com Trance Chart in its first week of release. He has remixed several songs for other artists such as Billboard charting Kim Cameron and Side FX' "Never" and "Falling Stars", as Extended Club Mixes and Radio Edits, on the Side FX Partners label. He has also remixed "Summertime" and "Feels Like Love" by Raquela and "These Tears" on the Raquela Entertainment label.

In 2005 he formed MJS Artist Management and opened MJS Records, an online store, specializing in trance records, which has now blossomed into a record label.

In early 2016 his record label, MJS Records, debuted its first release. They are currently working with artists in the USA, UK, Netherlands, and Belgium.

Golden Boy Mike's special blend of Trance and HiNRG takes your imagination on a musical journey.

#### Stage Plot / Set Up Information

Promoter will provide the professional grade, quality equipment needed for Artist's performance:

- 2 Technics 1200 turntables, one on each side of the mixer, with slipmats and cartridges/needles in "regular" position, (not "Battle Style"), with padding underneath to stop vibration from sound system and other causes
- mixer with an open Line channel and Record out channel
- monitor speaker on Artist's right side
- dj table should be waist high.

No other equipment should be visible in the dj booth, as only playing vinyl records on turntables is part of Artist's brand and artistic performance.
